Dear Ms. Ortiz:

The National Archives and Records Administration (NARA) has been notified of a potential unauthorized disposition of records at the Defense Health Agency's (DHA). A member of the public alleges that records subject to a October 7, 2018 FOIA Request (DHA 19-D, Records of Hammond Communications 2015) were unlawfully destroyed or are in imminent danger of early destruction.

NARA requests that the DHA investigate this matter to determine if all applicable FOIA records were provided at the time of the request and whether responsive records were, or will be, destroyed in accordance with the appropriate records disposition schedules. NARA requests that you provide a response within 30 days in accordance with 36 CFR 1230.16. Your report should include a description of the records; the records schedule disposition citation that covers the files; details regarding the records destruction incident and recovery efforts; and a statement of the safeguards that have been or will be implemented to prevent future unauthorized disposals of such records. If you have any questions, please contact me at laurence.brewer@nara.gov.

Sincerely,

LAURENCE BREWER

Dear Ms. Ortiz:

The National Archives and Records Administration (NARA) has received the Department of Defense's response regarding NARA's request for further information pertaining to an allegation of an unauthorized disposition of records at the Defense Health Agency (DHA) (UD-2022-0008). A member of the public alleged that records subject to a October 7, 2018 FOIA Request (DHA 19-D, Records of Hammond Communications 2015) were unlawfully destroyed or are in imminent danger of early destruction.

During your investigation, DHA determined that the applicable FOIA responsive records were provided to the requester and were not unlawfully destroyed. Based on the information that you provided, the reporting requirements of 36 CFR 1230.14 have been met. NARA considers this allegation of unauthorized disposition unfounded. If you have any questions, please contact me at laurence.brewer@nara.gov. Thank you for your attention to this matter.

Sincerely,

LAURENCE BREWER
