Dear Tracee Taylor,

We have received your report regarding the unauthorized disposition of a Trust Fund Recovery Penalty (TFRP) case file that went missing via shipment between the Atlanta Federal Records Center (FRC) and an Internal Revenue Service (IRS) office in Fresno, California.

We understand that the Atlanta FRC shipped a package via United Parcel Service (UPS) and when it was received the IRS employee noticed the package had been ripped and all interior contents were missing. The IRS contacted the FRC Account Manager and subsequently learned that the Atlanta FRC mailed the documents in the wrong envelope type. The FRC is working with staff on proper shipping procedures.

Based on the information the IRS provided, NARA considers this matter resolved. If the records are located, please let us know so we can update our records. I appreciate your attention to this matter. If you have any questions or wish to discuss further, please contact me at laurence.brewer@nara.gov.

Sincerely,

LAURENCE BREWER
Chief Records Officer
for the U.S. Government
